

Vaccine Requirement

It is Tennessee state law that all students entering seventh (7th) grade must receive the TDAP immunization. Students will not be permitted to pick up their laptops or attend the first day of school until this requirement is met.

Athletic Participation Requirement

Prior to participating in the first day of tryouts, practice, or games, students must complete all required athletic participation forms. Forms must be completed online using a service called FinalForms. Go to <https://bristolcity-tn.finalforms.com> to access the forms or to the Tennessee Middle School website under Athletics>Forms.

We look forward to serving your child at TMS!
